

5th EAPASA SADC REGIONAL CONFERENCE 2026

PRE-CONFERENCE EXECUTIVE TRAINING

BRIDGING THE GAP POLICY, GOVERNANCE & WATER JUSTICE

Moving from fragmented compliance to integrated, data-driven and justice-centred water governance across SADC.

20 OCT 2026

MENTORS COUNTRY ESTATE

1 CATEGORY 1

EAPASA CPD POINT

TC-00015-EAP26

APPROVED COURSE CODE

R3,950

PER DELEGATE

WHY THIS MASTERCLASS?

Water security is now a governance, justice, climate-resilience and institutional-performance challenge. Senior practitioners need credible tools to connect policy, evidence, accountability and lived outcomes.

IDEAL FOR

- EAPs and Environmental Control Officers
- Water scientists, engineers and planners
- Municipal authorities and regulators
- ESG, sustainability and policy leaders
- Researchers and SADC practitioners

WHAT YOU WILL MASTER

1

Policy to practice

Interpret NEMA, water legislation and regional priorities.

2

Governance diagnosis

Map mandates, accountability gaps and escalation routes.

3

Water justice

Apply distributive, procedural and ecological justice.

4

Data to decisions

Use climate, monitoring and infrastructure intelligence.

5

Inclusive leadership

Strengthen community voice, gender inclusion and legitimacy.

6

Implementation

Build a measurable 30-day workplace action plan.

INTERACTIVE EXECUTIVE LEARNING EXPERIENCE

01

Policy-to-practice diagnostic

02

SADC basin risk mapping

03

Water justice simulation

04

Data-to-decision lab

05

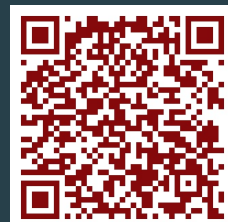

30-day action planning
